**The work schedule for this position is: Full Time (40 hours per week)**

Supervisory position: No

**Duties:** The Expanded Professional Associates Program (EPAP) provides eligible spouses with employment opportunities in key positions at missions abroad. EPAP offers responsibilities similar to Foreign Service entry-level positions. See here the EPAP [Position Descriptions](#)

**The Basic Function:** The FE-OC Senior Assistance Coordinator position was added in 2014 following the Revolution of Dignity to oversee a rapidly expanding U.S. assistance program in Ukraine. The assistance coordinator sits in the Executive Office and is a one direct-hire unit; this EPAP position is critical to monitoring the large number of assistance programs and managing the many reports required by the Department to ensure accountability. This position is a focal point for the work to coordinate 28 agencies that cross eight different funding streams.

This position, which reports to and supports the Senior Assistance Coordinator, provides working-level oversight of approximately \$800 million in annual foreign assistance, including inter-agency coordination, preparation of required reports, visiting projects throughout Ukraine, and keeping track of the numerous technical advisors and the USG sponsors in the Ukrainian Government. The employee works with a wide variety of contacts within the U.S. Embassy, the Ukrainian Government, and the NGO community.

**Major Duties and Responsibilities include:**

1. Manage the Development Cooperation Program (DCP), which partners East European countries with the U.S. to promote assistance projects in Ukraine. Solicit and prioritize DCP proposals; liaise with co-donors and the State Department's EUR/ACE office on funding. Serve as Grants Officer (GO) for DCP proposals.
2. Arrange site visits to U.S.-funded programs and coordinate with NGOs and other implementers on ribbon-cutting ceremonies, speaking engagements for the Senior Assistance Coordinator, and social media coverage of assistance projects.
3. Help to coordinate and finalize mandatory USG assistance reporting, including the Congressional Budget Justification, Performance Plan Review (PPR), Operations Plan, and budget requests for non-USAID assistance.
4. Coordinate closely with all agencies at post that provide assistance to Ukraine and with State's assistance office within the European Affairs Bureau.
5. Coordinate regular meetings with USG foreign assistance community and support USG efforts to coordinate with other donors such as the EU, UN, World Bank, and others.

7. Act as control officer for visits and delegations in areas of responsibility. Assist with various administrative duties and visitor scheduling as necessary.
8. Serve as EXEC Section's GO on other assistance-related grants.

EPAP incumbents, unless they are separately accredited, do not have the same status as U.S. Foreign Service employees. Rather, such family members have derivative privileges and immunities, i.e.,

deriving from the sponsoring employee's status. Such status imposes a *de facto* limitation on what family members may do on the job and how they represent post.

As is required for all Family Member Appointments (FMA), EPAP incumbents and supervisors will agree upon specific Work Requirement Statements (WRS/FOR JF-57 EPR, Section III) and mandatory training, within the first 45 days of employment at post. The WRS will confirm and, as appropriate, elaborate upon the duties and responsibilities as defined in the EPAP PD.
